

Full Moon over Pädaste Bay Saturday 18 August

A lunar dinner in Alexander Restaurant followed by a mad moonlit after-party under summer skies!

After dinner, rowing boats take us across Pädaste Bay to the Island of Love with a magical full moon guiding our way through the shimmering sea for a magical concert with which we will continue the evening.

Island of Love

Welcome to one of most romantic nights at Pädaste Manor, join us after dinner to a private Island across the bay for this once in a year event!

On the holm awaits a midnight bonfire, open bar and performance by **Daniel Levi Trio**, unplugged in the dreamlike setting of the Island of Love.

A night to truly remember!
