*"A really unique experience in Estonia - both food and conversations! Matthias Diether is not just a super talented kitchen wizard but also has a lovely sense of humour and ability to act as a glue between guests who come as strangers and leave as friends."*

The Chef's Table at Alexander Restaurant invites for an extraordinary dining experience, personally hosted by Matthias Diether. The Chef and his team take you on a culinary journey. It's the place to dine with fellow guests, have fun and meet likeminded people that appreciate great food and good conversation. We assure you of a splendid time, magic is in the air.

Dinner at the communal Chef's Table starts at 19:00 with the aperitif and lasts till approximately 23:00. The menu with goodies will consist of 9 dishes. Reservations are required and can be made per seat.

### **Your private dining table**

Alexander Restaurant offers private dining tables as well for you to enjoy Matthias Diether's award winning cuisine. At the private tables we offer you a choice of either the daily changing 3-course Table d'Hôte menu or the 5-course Islands' Degustation menu. Reservations can be made for seating between 19:00 and 21:30.
