

### Pädaste Manor - a unique venue

Pädaste Manor - historic 15th century Baltic estate, is located in an unspoilt nature reserve on the shores of the Baltic Sea. The silence, the sweeping views, the scent of the northern meadows and forests, the crispness of the cool evening air, the velvety darkness and the profundity of our starry skies will be with you forever. An eye for detail, unashamed comfort and the power of the elements surrounding us make Pädaste Manor a very special destination.
