

## Millennials Party...

## The Pädaste Way!

### A millennial's dream of simple luxury...

We know you will love it and come back and back and back.

A dream of simple luxury easily leads to Pädaste Manor, the destination to escape to higher grounds, happiness and ultimate relaxation...

At Pädaste we are doing something about the classical dilemma - when young lots of energy and gusto for experience but short of money; when older plenty of money but little time.

Join the **Millennial Club** at Pädaste Manor and you will receive a **rebate of 50%** on any single euro spent by you while in Pädaste on designated weeks throughout the season\*.

**Have we gone crazy?** - somewhat, but not really. We like you to experience personally why so many that enjoy extraordinary hospitality have become lifetime fans of Pädaste Manor. We know you will love it and come back and back and back as so many of our guests do.

Prior registration is necessary to enjoy the benefits of Millennial Club.

To join the Millennial Club at Pädaste Manor [click here](#) and our Guest Relations Manager will get back to you to finalise the details of your Millennial Club membership.

The designated weeks for the Millennial Club are published in the events section of our website and [can be found here](#).

\* To qualify for joining the Millennial Club your age needs to be between 18 and 27 at the time of your visit and you need to be the one that makes the reservation and pays for it. The millennial arrangement is available to you and one other invitee that shares your room during your stay regardless of his/her age.

The discount applies to all the services at Pädaste Manor (Best Available Rate for accommodation) at any given day booked directly with us and does not apply to special arrangements, special offers, packages, wedding arrangements, conferences or bookings via third parties. The benefit starts after your application to the Millennial Club has been confirmed and ends on the day you turn 28.
