Pädaste Manor, a historic 15<sup>th</sup> century Baltic estate is located in an unspoilt nature reserve on the shores of the Baltic Sea. The silence, the sweeping views, the scent of the northern meadows and forests, the crispness of the evening cold, the velvety darkness and profundity of our starry skies will be with you forever.

Our exquisite Manor House had been left totally untouched for decades; in the course of the past 15 years we have saved it from dereliction, gently re-awaked it and painstakingly restored it with much attention to detail. The result is a hotel jewel of supreme comfort and understated luxury, a relaxed combination of Estonian history and 21<sup>st</sup> Century life style, presented with unmistakable flair and a fine sense of humor.

‘Simple luxury’ has served us well as our mission statement and philosophy since first opening Pädaste Manor in 1997 – this ‘Leitmotiv’ is the key element for the Manor today: no ostentatious displays of misplaced glitz or glamour, no thick wall-to-wall carpets or gold plated taps – Yet the full acknowledgement of the Manor’s noble

ancestry and the dignity of the buildings is emphasized by furnishing the house with an appropriate sense of understatement.

Sumptuous bespoke bedding and luxuriant fabrics set the tone and exquisite local antiques are comfortable next to modern classics. Natural materials and textures are tactile and inviting, giving a lucid quality and very particular character to this unique Baltic Manor.

An eye for detail, unashamed comfort and the power of the elements surrounding us make Pädaste Manor a very special destination. The estate is a haven of peace with wonderful places to relax and dream, yet it also inspires to exercise and explore, it invites to experience a very individual Spa concept and finest dining options. Above all there is the ambience, the charm and the service expertise that can only be found in a privately owned hotel.

At Pädaste Manor, the trees and the stones have a voice, so does the wind and so does the water...
